

At the intersection of sciences and societal debate, Quæ Editions support the production and distribution of scientific works, in French or English, for scholars, practitioners, decision-makers, as well as the general public.

Unique in France, Quæ Editions are supported by three French research institutes: INRAE, Cirad, Ifremer.

## Publish with Quæ!

Benefit from the **experience and advice** of a publishing house founded in 2006.

**Highest quality publication: peer review and editorial board expertise** are guaranteed.

Widely accessible in multiple formats: benefit from **technological know-how**, with an XML-structured publishing chain for digital publications (PDF and ePub).

Open access option for even more impact.

Benefit from **national and international distribution, as well as a personalized communication** for your book.

Benefit from **a wide international distribution** for your book, in bookstores and on numerous online sale and distribution sites.

## Who we are

- ✓ **First French public publisher**, in the scientific and technical sector.
- ✓ **50 new titles published annually** in Life and Earth Sciences and Human and Social Sciences, with an interdisciplinary approach.
- ✓ **A catalogue of more than 1,500 titles** on agriculture and environment, biodiversity and climate change, ocean and marine resources, food, health etc.
- ✓ **More than 100 titles in English.**

## Think Open Access!

Choosing open access **increases the visibility** of your scientific works and results, as readers enjoy a free and unrestricted access to your publications.

**Since 2019, a specific site is dedicated to these books:** [quae-open.com](https://quae-open.com).

Our books are also distributed on the major platforms: DOAB, OpenEdition Books etc.

## Zoom on quae-open.com

- ✓ Ebooks (PDF and ePub) **freely downloadable, with 13,000 downloads a month**
- ✓ **220 titles** (August 2023)
- ✓ **A DOI assigned** to each work
- ✓ Works under **Creative Commons license**

## Submit your editorial project!

Contact us to discuss your publication projects and send your publication requests and manuscripts to [secretariat@quae.fr](mailto:secretariat@quae.fr). We are here to accompany you!
